Nurse's Office	1 desktop	IBM Personal Computer 300PL (1994)	NO	NO	NO	Yes	

***All** teachers with IBM Personal Computers 300PL expressed a need for software updates.

***All** teachers who have a printer in their classroom have a *HP Ink Printer 2100*. – These printers were made in February 1999.

***Also** when you go on Ebay to look up the classroom teachers desktops (IBM Personal Computer 300PL) they come up as vintage and are \$20.00 to bid on.
